Frankenstein at the fringe!

Returning for yet another fun-filled Fringe, Frankenstein and the Monster are back to host an electrifying mix of comedy, cabaret, and late-night entertainment that's not to be missed.

Set within a dramatic 19th-century church, Mary Shelley's iconic tale comes to life in one of Edinburgh's most unique venues. Frankenstein is a fully themed bar on George IV Bridge, right in the heart of Edinburgh's historic Old Town and just a stone's throw from the bustling Grassmarket and the legendary Bedlam Theatre.

Open daily from morning 'til late, we serve up a brilliant range of food and drinks, perfect for Fringe-goers before, after, or in between shows. Expect atmospheric surroundings, unforgettable Fringe vibes and of course, a MONSTER all under one gothic roof.
